34	33	45.263	118	08.750	88	33	42.675	118	16.496
35	33	44.153	118	06.870					

Notes:

- 1.0 We are watching Marks 33 and 35. According to a recheck by Scuba Duba, they are clean.
- 2.0 One (1) spare mark on site for moderate depth (will use to replace Mark 38), two (2) new marks fabricated waiting concrete.
- 3.0 Enough spare pipe and foam on site to repair two (2) marks (will use one to repair Mark 36). Will need couplings and Caps
